

STUDENTS SATISFACTION SURVEY ANALYSIS

2022-23

The IQAC expresses satisfaction at the survey conducted among the students. Questions ranged across a Spectrum of parameters from curriculum to teaching quality to internal assessment to online classes. The Survey had questions to ascertain the quality of infrastructure, library and sports facilities. In order to ascertain the role of the management, the survey had questions on the accessibility of the management, the survey had questions on the accessibility of the HOI as well.

On the basis of the findings, the proposal of action stands as follows:

1. Taking note that 22% of students are not happy with the washroom facilities, the IQAC is concerned about the feedback. The Teacher-in-Charge, IQAC and Governing Body is requested to upgrade the washroom facilities and augment the physical facilities as well with immediate effect.
2. Classroom facilities should be improved.
3. Teachers' Council and Academic Committee to push towards absolute satisfaction regarding teaching-learning in near future, although the result is generally positive.
