Analysis & Action Taken Report

The parents participated in this feedback seeking session with great enthusiasm. They have held a general satisfaction with the affairs of the institution with a few suggestions especially in case of infrastructural growth and a job oriented approach in the transactions in the college. A platform has also been sought for parent-college interaction.

In the light of this, the following course of action has been suggested by the IQAC:

1. Development of physical infrastructure like classroom and lab must be undertaken. Proposal is forwarded by the IQAC to create a new dedicated laboratory space.
2. A regular interaction is to be maintained with parents by the departments, till an online / offline platform for interaction is not created.

Type of Feedback: Teacher

SI No.	Feedback Questions	Analysis of Feedback Received and Action Taken
1.	Syllabus of the taught courses is appropriate and as per need.	Almost all the teachers in their response suggest that the course structure of the University of Burdwan is appropriate. The college encourages them to attend workshops organized by the University, which helps them in clarifying any issues regarding the syllabus.
2.	Sufficient number of the prescribed books are available in the Library.	Most teachers think that mostly books are available as per the current course. However, some of them have expressed concern. On seeking further suggestion from them it has been learnt that more regular allotment for purchasing new books is required.
3.	The course/syllabus has good balance between theory and application.	Almost all the teachers in their response suggest that the course structure of the University of Burdwan is appropriate. The college encourages them to attend workshops organized by the University, which helps them in clarifying any issues regarding the syllabus. Moreover the college allows practical classes in laboratory, field visits and excursion as and when required.
4.	The books listed as reference materials are appropriate and updated.	The books listed as reference are in accordance with the list from University. The said list is well coordinated. Some teachers have held that more frequent purchase in the college library is required.
5.	Basic facilities, like teacher's rooms, classrooms, reading rooms and toilets are available in the Department.	There is an opinion among some teachers that the said facilities are alright but they need to be expanded to meet the growing demands.
6.	Canteen is available at the faculty level for staff.	Canteen running in the campus is satisfactory, however, some have expressed that the seating arrangement may be expanded.
7.	All the unit tests and final examinations are conducted well in time covering all syllabus.	All the teachers have expressed their satisfaction regarding the internal as well as external-university examination.
8.	I have the freedom to propose modifications, suggestion and incorporate new topics in the syllabus.	Teachers cannot change the syllabus given by the University. However their expression suggests that they have the freedom of curriculum execution and producing a teaching plan. They also have the freedom of proposing the syllabi of add on courses.
9.	I have the freedom to adopt new techniques/strategies of teaching such as seminar presentations, group discussions and learners' participations.	The teachers are satisfied with the scope regarding this.

Analysis & Action Taken Report

On analyzing the feedback received from the teachers of Polba Mahavidyalay, it is deduced that the Teachers generally are satisfied with components of the college. In the academic sphere suggestions have been received for purchasing books more regularly. Expansion of physical infrastructure has also been suggested. Especially regarding seating arrangement.

In the light of this the IQAC takes following course of action:

1. Immediate purchase of books is approved. Booklists to be sought from all departments. Application for grant in aid is to be sent for the purchase of books to the Department of Higher Education, Govt. of West Bengal.
2. It is suggested that plan and estimate be prepared for expansion of physical space, including classroom, seating arrangement etc.
