

## 7.1.2) The Institution has facilities and initiatives for:

### 1. Alternate sources of energy and energy conservation measures

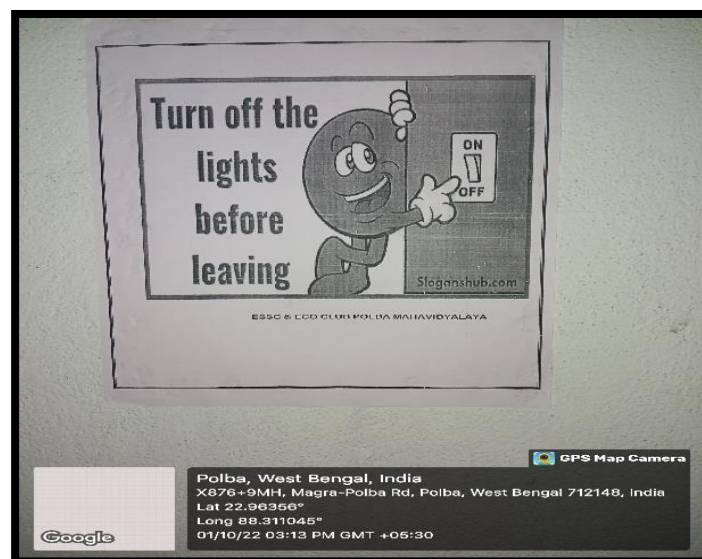

This is to state that the college has no solar panels at the moment. However, we are at the process of installing them through collaboration with the competent authorities of the Government of West Bengal.

In terms of energy conservation, the college uses power- saving energy- efficient lamps.

Eco Club carries out campaigns for creating awareness for power conservation.

Energy efficient Power saving CFL bulbs

Students are aware of energy saving practices
