**b. Analysis & Action Taken Report**

On the basis of the data presented above, it is deduced that the parents participated in this feedback seeking session with great enthusiasm. They have held a general satisfaction with the affairs of the institution with a few suggestions especially in case of infrastructural growth and a job oriented approach in the transactions in the college. A platform has also been sought for parent-college interaction.

In the light of this, the following course of action has been suggested by the IQAC:

1. Development of physical infrastructure like classroom and lab must be undertaken. Proposal is forwarded by the IQAC to create a new dedicated laboratory space.
2. A regular interaction is to be maintained with parents by the departments, till an online / offline platform for interaction is not created.
