Date: 03/12/2024

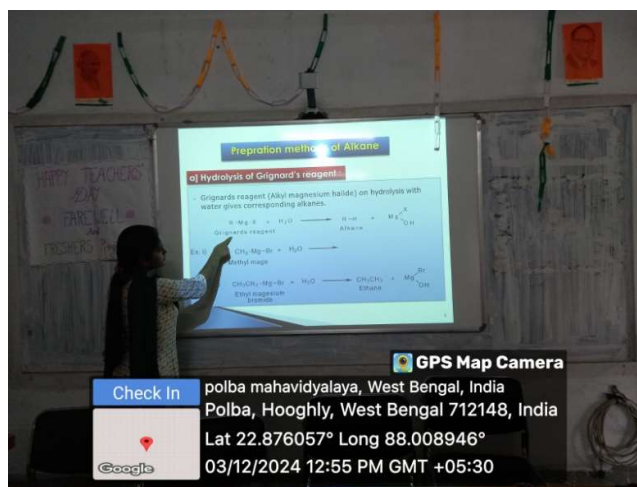

Report on Students' Seminar on 03.12.2024

A Students' Seminar was organized by the Department of Chemistry & I.Q.A.C. of Polba Mahavidyalaya, Polba, Hooghly, W.B.-712148 on 03rd December, 2024 at room no. 202 from 12.30 pm onwards. Students of Semester I and V of B.Sc. participated in the seminar. Faculty members, Dr. Leena Mandal and Mr. Soumya Sinha Roy were present to evaluate their performance. They demonstrated a subject of their own choice from the B. Sc. Chemistry syllabus through Power Point presentation. Presentations were followed by discussions and feedback from peers and faculty.

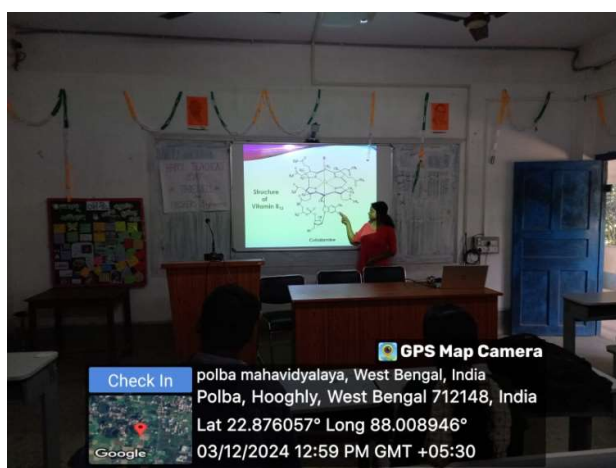

Name of the students and the topic of discussion were as following:

Semester	Name	Topic
Semester I-Chemistry Minor	Jhuma Malik	Alkanes
Semester I- Chemistry(Multi)	Suchandra Ghosh	Vitamin B12
Semester V	Prantik Dutta	Crystal Field Theory

Conclusion: The students presented information in a logical sequence, covering essential aspects of the topic. The content was relevant, well-researched, and supported by credible sources. Each slide focused on a specific point, making the information digestible and engaging. The presentation concluded with a summary of key take aways and was followed by a Question-and-Answer session. The student responded to questions thoughtfully, demonstrating a deep understanding of the topic.

Semester I(Chemistry Minor)

Semester I(Chemistry Multi)

Semester V
